General Discussion

- Corresponding Secretary Penny Council stated not much has happened since her last report. The Raymos's are recovering well.
- Elks Lodge contracts run from 1 April to 31 March and will need to be negotiated sometime this March 2026.
- As noted in the newsletter calendar and reiterated here, there will be no party in April 2026. The date coincides with SOS Spring Safari.
- This January party is covered by Sammy McLamb and there will be no cover charge for anyone, guest or member.
- Instead of the money table at the door, we will set up a membership table for renewal or new member signup. We will continue membership renewal at the February party.
- We will offer 50/50 tickets at the January party and every party henceforth.
- Sometime in January we will send our money for the ASCAP fees once contact is reestablished.

Adjournment

There being no official business, we booked to Mi Casita.
