## Entertainment hospitality

Discussion about trying to find someone different to DJ for Christmas party this year as we have had same DJ for past several Christmas Parties. We are all in agreement to look for someone else for the Christmas Party.

Correcting November 2015 minutes was suggested. Andy Privette suggested the following substitute wording for the paragraph in question.

"FASA does not have a business relationship with dance class and FASA has never paid dance class for services. We feel strongly that dance class does benefit membership and FASA benefits dance class. The fact that the dance class is on the same night as our monthly business meetings is a problem. Some people feel that the dance class should have changed nights. It was stated that they tried and were unable to find another place. Monday nights are not available at the Elks Lodge. Finding a place to have all activities at same location is being studied and the search for an adequate location continues."

A motion to leave the November minutes unchanged was made and passed.

A discussion was made to publish the roster to all members. Kathi Baloyot suggested we have a central person to disseminate information with permission as requested. This will be discussed further at a later time as some feel there are people who do not want information shared publicly.

The February party will be taken care of by Board Members.

Motion to adjourn by Dwayne Baggett and seconded by Grey Welborn.  
Meeting adjourned.

List of members with February Birthdays was read by Peggy Perry, VP.
