The mission of the CBMA Awards is to promote Carolina Beach Music, its influences and offshoots and the unique Carolina lifestyle by the presentation of a first class awards show that originates each November in North Myrtle Beach, SC. The show honors winners in various categories and remembers the pioneers who originated this music and helped make it great. Those honored are performers, songwriters, radio personalities, mobile DJ's, dancers, producers, engineers, promoters and others who have been integrally involved with the music's success. The further overall purpose is to keep this music alive by getting young people involved in this fun yet clean cut music, to give the music its deserved recognition, respect and credibility, and to bring diverse people together in an upbeat harmonious manner.

The awards show is open to the public. Ticket prices range from \$40.95 to \$69.95 for the event. Click here for ticket information <https://www.alabama-theatre.com/myrtle-beach-shows/carolina-beach-music-awards/561>

From the President's Pen...

Hello FASA members and friends, It is hard to believe it is July already. I do not have much news but I want you to know that your FASA board of directors are handling business and watching the conditions of the Covid-19 virus on a monthly basis. I am sorry to hear that North Carolina numbers are still going up and we have not been able to move forward to getting back to normal.

That being said, we will not have a general membership meeting or party in August. The board will take another look around the end of July to see what we feel is safe for September.

This virus has affected all of us in many different ways including lifestyle, family visitation, monetary needs and too many others to mention. It has caused friends to turn from each other and that is a shame. Each one of us react in different ways so please respect the opinion of others and don't allow it to effect your friendship. FASA members are more than just friends. We are members of a music and dance family. That is what promotes the music and the Shag dance. While we are thinking of our FASA friends and club members, don't forget our DJs. The people that sit in the corner and play the music are not just paid DJs. They are part of our family. (Thank you Beverly for working with the ones we care so much for.) These people are affected by the virus just like all of us and when this is over we want them to be ready to make us move.

Please keep in mind those of us who are caring for someone that has special needs or is sick. If you know of a FASA member or friend that has a need, please let me or Beverly know.

Dwight

Membership Meeting Minutes

Due to the Corona Virus there were no FASA Membership Meetings in April, May or June. We will let you know when we are able to resume our meetings and parties.

Gosh we miss you! We miss everything about you. Your smile, your laugh, your dancing feet, the desserts you bring to parties. Geez. Will this quarantine ever end? We've canceled parties and membership meets for one more month. We're keeping our fingers crossed that September is the month when we can get back together. Be assured your FASA Board of Directors is on top of this and frequently meeting virtually to make decisions on how to proceed. Until then, virtual hugs to each of you.

Throwback SOS Parade Photos

Spring SOS features a parade like no other. Shag Clubs entering the parade compete for prizes in “Best Shag Theme”, “Most Original” and “Marching Troupe”. But they mostly compete to make the crowd go wild with their enthusiasm, creativity and just plain old fun. Candy, beads and other fun items are thrown the to the raucous crowd who show up to claim their space on the parade route many hours before the first float leaves the parking lot.

FASA participated in the parade many times and, boy, was it fun! Here is a walk down memory lane of FASA parade floats of the past. More parade photos will be featured in future newsletters.

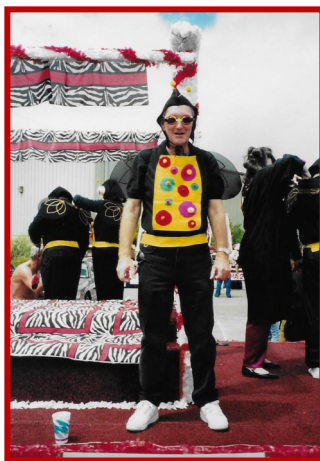

Here is FASA’s very first parade entry “Bed Bug Boogie” which won 2nd Place for “Best Shag Theme” in 2002. Note: You know these shaggers but the may look younger in these photos!

Notice: 2020 Fun Sunday & Fun Monday Canceled

It is with a heavy heart that we must write this note, as SOS Fun Sunday/ Fun Monday has been cancelled for 2020.

Due to projected revenue of our event being compromised due to Covid 19, a decision was made and agreed upon by the SOS Enhancement Committee in conjunction with SOS and the ACSC.

Approximately 85% of our revenue comes from shag club raffle sales and since they are not currently allowed to hold meetings or socials and no timeline as to when clubs will be able to meet, a decision had to be made, at this time.

We are so sorry to have to cancel this great event but due to circumstances beyond our control, it is our only option.

We appreciate all of your support in the last 20 plus years. Hope to see you at SOS Fall Migration 2020 in September.
