From the President's Pen...

Hello FASA members and friends,

Oh, how nice it would be to have a FASA meeting and be with friends and fellow FASA members again. I genuinely enjoy all of you as well as the music and dancing. Please be assured that the FASA Board is still working hard to maintain the club, work with the DJs, and keep good rapport with the Elks Lodge. I am lucky to have such great people on the FASA board of Directors to work with me.

We have had contact and virtual board meetings to stay in line with the mandates from Raleigh while following the ACSC and taking the lead in some cases to help protect our friends and club members. The decision to suspend all our meetings and parties until the first day of August was what the board felt we had to do to protect the safety of our members and future of FASA. Several things were considered including the risk factor of our members, liability of the club, and the cost of having a party with exceptionally low attendance.

We will be back in action again, but we have to stay within the guidelines and be as safe as we can.

I will add just a line on the brighter side. On May 10th, my mother suffered a severe heart attack. Through the grace of God and so many prayers I cannot count she is at home and doing quiet well. More prayers are needed as she continues to improve.

Keep the music alive and work on a new step.

I will see you soon

Dwight

Andy Privette Celebrates His Mom's 100th!

FASA Member Andy Privette's mother celebrated her 100th birthday on May 12th. Sons Andy and Bill and other family members celebrated this special occasion with a front porch party at Heritage Place. Attending were spouses, kids, grandkids and great grandkids. They all enjoyed cake and home-made ice cream.

Mrs. Lena Privette was born at home in Cooleemee, NC. She began her working career at a cotton mill. During World War II she moved to California to work at an Army hospital. She was also a homemaker, chauffeur, Boy Scout Den Mother, hospital clerk and also worked for H&R Block.

She credits drinking milk straight from the milk bucket and 20 years of gardening and yard maintenance at Lake Norman for the extra years she's been given. Her son Andy, credits her stubbornness.

Happy June Birthdays, FASA!

Notice: 2020 Fun Sunday & Fun Monday Canceled

It is with a heavy heart that we must write this note, as SOS Fun Sunday/ Fun Monday has been cancelled for 2020.

Due to projected revenue of our event being compromised due to Covid 19, a decision was made and agreed upon by the SOS Enhancement Committee in conjunction with SOS and the ACSC. Approximately 85% of our revenue comes from shag club raffle sales and since they are not currently allowed to hold meetings or socials and no timeline as to when clubs will be able to meet, a decision had to be made, at this time.

We are so sorry to have to cancel this great event but due to circumstances beyond our control, it is our only option.

We appreciate all of your support in the last 20 plus years. Hope to see you at SOS Fall Migration 2020 in September.
