*"On The Beat"*

## FASA Board of Directors Update

Your FASA Board of Directors have their thinking caps on in an effort to do the very best for you and your club during this Covid-19 Virus Lockdown. To prepare for the upcoming year, very hopefully after we have the all clear to resume normal club meetings and parties, here is what they plan to do.

- All current FASA members will carry over their 2020 membership through 2021. In other words, you will not pay dues for 2021 if you are currently a member of FASA.
- The current Board of Officers will remain in their positions until March 31, 2021. Continuity is key to making decisions for how to proceed. All of the current Board members have graciously agreed to continue working for FASA an extra three months to ensure the new board has been chosen and updated. A Nominating Committee will be formed to recruit new officers and nominate them for the 2021 board.
- For the record, these changes were made only because of the restrictions caused by the Covid-19 Virus. There is no intent to circumvent the FASA By-Laws but only to help the club through the new year without confusion. We all agree these are very unusual circumstances which call for new procedures.

More ideas are being discussed regarding this unusual year and upcoming plans. You will be updated as decisions are made. If you have any thoughts, ideas and/or input please share with the Board of Directors.

As for now, the October membership meeting and party are cancelled. The Board is keeping a close watch on which North Carolina virus restrictions may be lifted. Currently, the Elks Lodge is unable to open to the public. So we are still in a holding pattern. Let's hope we can get back *"On The Beat"* real soon!

# From the President's Pen...

Hello FASA Members and Friends, Wow! It was 48 degrees this morning and that told me that the summer is gone. We can now start thinking about the nice days of Fall and all the party events coming up before the end of the year. OH! Wait. That virus is not gone yet. What are we going to be able to do? Or more like, what are we willing to do? This is the question the FASA board is asking. The one thing you can be sure of is our club is still alive and well.

Our board had a meeting September 22nd thanks to Google Meet (thanks Beverly Hobgood for setting it up) and we discussed the remainder of this year. Our board is working hard to get us through these times and back together on the dance floor as soon as it is safe enough. Kathi Baloyot will be doing something either by e-mail or in the newsletter, or website to let you voice your opinion. Please take the time to tell your board how you feel about starting back and how soon you will be willing to get together. You can e-mail me anytime. We need to know.

We will not have any events in October but working on things to make the year end in a good note.

Stay safe and I hope to see all of you soon. *Dwight*

### **SOS Special Bulletin**

August 9, 2020

#### **Attention: SOS Membership Card Holders!**

The SOS Board has met again to hammer out our budget for 2021. The Board has spent countless hours dissecting our budget and trying to find savings in every area for 2021. As you are all aware since the hurricane and Covid-19 pandemic, we have had 3 SOS's cancelled, this is un-precedented and has put a lot of strain on the SOS budget. We have rescinded our prior decision about our 2020 SOS Cards. The new decision effective today, August 9, is that **ALL 2020 SOS Cards will be honored** for the whole year of 2021. The clubs will continue to sell 2020 cards to be used for the year 2021.

The Board appreciates your understanding and support in helping keep our association strong.

Hopefully, we will have a great year in 2021 and we can get back to a lot of norms that we are all accustomed to.

If you have any questions, please call.

Ron Whisenant, SOS President (803-371-4731)

Ronnie Gregory, SOS Board Chair (336-213-7053)
